

Camelot Academy's Summer School Program 2008

(for rising 7th- 12th graders)

GENERAL INFORMATION

Camelot Academy's summer academic offerings follow in the tradition of our school-year approach to education. Instruction is individualized, class sizes are small, and emphasis is placed on true mastery of the material.

Credit arrangements can be made with other schools. We require a letter from the principal or guidance counselor of a student's home school outlining the requirements for granting credit. This letter must be submitted to Camelot prior to the start of summer classes.

- Session 1 (June 9 – June 27)
- Session 2 (July 14 – August 1)
