

Camelot Online Lunch Order System

Powered by LunchWorks™

Good News! The lunch ordering system is moving to an online process. To place a lunch order, go to the Camelot Academy Website, under Students, and then Lunch, click on the following link to access this web address: <http://www.orderhotlunch.com/nc/durham/camelotacademy/>

The page will look like the picture to the right. You will need to setup an account to place an order. Once you see the login screen click “Create a new account”.

Enter your personal information, individual students you will be ordering for, and choose a password. To avoid potential misuse of the system, Camelot staff must approve all accounts before orders can be placed. All new accounts should be approved within one business day.

Once the account is active, you can place your orders. Log into your account and click “Camelot Lunch Order Form”.

You will see a screen that looks like the one on the right. Enter the number of each item in the boxes on the left. You may order up to two of each entree, or up two 8 slices of pizza. The system will keep a total for you. **Click “add to cart” at the bottom of the page and then click “Check Out”.** You will be taken to a secure PayPal checkout window.
