## A Completed File

Before a decision can be made about accepting a student to Camelot Academy, the school must have a completed file. For international students, a completed file consists of :

1. A completed and signed application and \$100 application fee
2. A student interview via Skype or WeChat with school officials
3. A bank statement showing sufficient funds (\$25,000 or its equivalent) to support student
4. An immunization record (in English) showing student has been vaccinated for all the common childhood diseases
5. School records going back at least three years showing course work and grades received
6. Teacher recommendations from one English teacher and one Math teacher

## The Camelot Academy Admissions Process for International Students

The admissions process begins when Camelot Academy receives a completed application and \$100 application fee. A Skype or WeChat appointment is then scheduled and conducted. Camelot Academy will make an admissions decision based on the interview and a completed file. If the student is accepted, enrollment paperwork will be sent both electronically and via a postal service.

When the family returns a signed contract plus all fees and tuition, Camelot Academy issues an I-20 document for the student to obtain an F-1 student visa. If, for any reason, the student is denied a visa, all tuition and fees (except the \$100 application fee) will be refunded to the family per the terms of the contract, as long as a copy of the denial letter is sent to Camelot Academy.

Any and all fees may be paid by personal check, credit card (Visa, MasterCard, American Express, or Discover) or bank transfer (wire). Questions about this process should be directed to our admissions office: [Admitt@CamelotAcademy.org](mailto:Admitt@CamelotAcademy.org)
