

## Camelot Peer Tutoring Program

Camelot matches select Upper School students with other Camelot students seeking homework or study assistance. Most sessions are one hour long and typically run after school from 3:30-4:30PM, although longer sessions or sessions that start later or during the school day are possible. Tutors are compensated directly by families at a rate of \$10 per hour. Payment is to be made at the end of each session, in cash please. All payment and scheduling will be handled by the student's family and the tutor.

24 hours advance notice (via email directly to the student) is required for cancellations. Tutors should be compensated for cancellations with less than 24 hours notice. If a tutor needs to miss a session, he/she will contact the family as soon as possible and either find a substitute if the family so desires or schedule a makeup day.

Camelot is happy to house and facilitate this win-win arrangement for our students. Our teachers communicate regularly with tutors to enhance the learning experience.
