Ultimate Frisbee: (Grades 6-12) Fee \$ 300\*

Camelot's Ultimate team is kicking off again soon! We've had greater participation these past few years and hope it will continue. Traditionally, we have been able to field two teams, one that competes in our league and another that is focused on training and development; while this depends on the number of signups, it is probable that this year will see a similar format. The rosters of each team will be confirmed by the coaches after the first full week of practice. The practice schedule and format has yet to be finalized as we are attempting to make use of our new E period for some practices. In order to do this, we need to have a clear idea of who wants to play on the Ultimate team as soon as possible. As such, anyone with any interest should talk to Michael Berro immediately and, if signing up, turn in their Camelot Athletics Forms to Wendy in the main office as soon as possible.
