

2019-2020 Athletic Fees Agreement

Greetings, we're looking forward to the new school year and resuming Camelot athletics programming. There's quite a bit happening this year, so let's jump right in! We will continue to offer some practices for certain sports-including soccer, swimming, and basketball - during the school day. Please pay particular attention to the Camelot Athletics Information Sheet for more information. If you have any questions or concerns about signup, dates, or anything else, please feel free to contact Leah (Leah@camelotacademy.org).

Please note the minimum participation requirements for each of the sports, if minimums are not met by the signup deadlines for the sport, we will not field a team for that sport. If we do not have enough players to form a team, prior reservations will be fully refunded.

Please note that there is an additional fee for **basketball (\$250)** that reflects the cost of renting a gym. Similarly, the costs for swimming are partially covered by Semester Fees, since there are minimal after school commitments. As such, **the cost for swimming is reduced by \$150**. Swimmers are expected to purchase their own team swimsuit.

As we did last year, we will be offering a discounted rate for those who wish to sign up early for winter and spring sports. We will also continue offering the option of paying athletic fees monthly. Discounted rates and the monthly payment option will not be offered past August 27, 2019. If a student chooses to add a sport later in the year, he or she may do so. At that point, payment will be expected in full. Each student may choose only ONE sport per season.

Please note that all parents with an interest in athletics **should bring their questions to the orientation on Monday, August 26th.** We will be prepared to share our expectations for student athletes, the logistics of the coming year, and provide a forum to answer any questions you may have.
