

Camelot Academy

2021-22 Upper School Student Supply List

TECHNOLOGY:

All students must have access to a **laptop** or **tablet computer** for individual use that they can bring to school for in-class work. Please also familiarize yourself with the Camelot Academy Technology Agreement. (A copy can be found in the Appendix of the Family Handbook). On this device, you need:

- Reliable Internet connection at home
- Gmail address that clearly identifies the user and is school appropriate
- Word Processing software or Google Docs
- Access to a printer
- Working camera and microphone
- Ability to scan written work and submit it via Google Classroom
- Headphones or ear buds

ORGANIZATION:

Students must have a way to organize themselves at home and in school. They might have

- **A three-ring binder with pockets, dividers and a pencil pouch for each of the following classes** you have: Foreign Language, English, History, Science, Social Science, ELL.

OR

- **One large binder** with multiple sections for various classes.

ALL STUDENTS MUST ALSO HAVE:

- 6 dividers for History classes (so if you have one large binder with sections for each class, you need dividers for those classes AND 6 smaller dividers for History)
- Two 3 subject spiral notebooks for Math at all times (to be replaced as they fill with work)
- Index cards, pack of 100 for Academic Fair
- Loose leaf, college-ruled paper
- Colored pencils
- Three-hole punch
- Numerous black or blue ballpoint pens
- Numerous regular graphite pencils
- Selection (at least six colors) of multicolored highlighters for English & Spanish
- Optional Composition Notebooks (1 for each class - especially English and Fiction Writing) - work will be accepted typed or written and scanned
- Ruler, compass, and protractor
- Calculator (Note that mathematics students in a Discovering series Algebra or Geometry textbook, or in Algebra II or above will require a graphing calculator (e.g., a TI-83).
- Graph Paper
- Scissors
- Tape

AT HOME:

- A quiet and private space if possible for homework with room to complete assignments
- Stackable trays in student work space/on desk for each class can be helpful

Specific courses may request course-specific additional supplies on syllabus.
