

Camelot Academy Athletics Contract & Code of Conduct

The following is important information concerning your family's participation in the Camelot Academy Athletics Program. Please read the information carefully and return the document with the required signatures to the office.

1. Eligibility

To be eligible, students must be in good standing at Camelot Academy. As a result of identified academic and/or behavioral issues, the Director of School and/or Athletic Director may decide to remove a student athlete from participation on a team until those concerns have been addressed.

2. Practices/Games

Student athletes are expected to attend a minimum of 2 days of practices/games a week. Students who do not meet this expectation may see reduced playing time relative to their teammates who attend all practices and games. Students who demonstrate a chronic problem with attendance at practices and games may be asked to leave the team.

Dress attire for practices should be different from the clothes worn during the school day and should include appropriate attire designated by the coaches. Safety equipment that is required for games must be worn at all practices.

It is the responsibility of the student athlete to check with classroom teachers ahead of time about any absences that may be due to scheduled practices and/or games and to secure assignments for these classes. Courtesy requires that students not disrupt classes when leaving early. Students are also expected to adhere to all posted early dismissal times. If there is a discrepancy between what the student and the teacher understand the dismissal time to be, students are expected to defer to the dismissal time as understood by the teacher.

3. Uniforms

Students are expected to take responsibility for and to take care of uniforms issued by the Athletics Department. Uniforms are to be worn only at games and should be washed after each use. Uniforms should be returned within one week of the conclusion of the season. Families will be billed for uniforms that are not returned.

4. Safety

Due to the physical nature of competitive sports, there is the possibility that injuries to the student athlete may occur during practice and/or games. Since your student athlete's safety is our main concern, Camelot ensures that all coaches are certified in First Aid and CPR.
