

Camelot Academy

2025-26 Upper School Student Supply List

You may want to wait to purchase most supplies until students have received their class schedule during Student Orientation, as some supplies are course- or instructor-specific.

TECHNOLOGY

- Laptop or tablet computer to bring to school for in-class work
- **Charger to use while at school (must bring daily so we encourage having a cord that remains full-time in the student's backpack in a designated pocket - consider an extra pencil pouch)**
- Headphones or earbuds that connect to the laptop or tablet

On this device, you need:

- Reliable Internet connection at home
- Google Docs
- Gmail address that **clearly** identifies the user and is school-appropriate
- Access to a printer
- Ability to scan written work and submit it via Google Classroom

**Please also familiarize yourself with the Camelot Academy Technology Agreement. (A copy can be found on the Camelot website under "Forms").*
