

Camelot Academy

Student Driver/Rider Contract*

*** Applicable for Student Drivers and students who will ride in a vehicle with other student drivers.**

In return for the opportunity and privilege of driving to and from Camelot Academy or being transported by a student driver, we the undersigned agree to read, understand, and do our best to follow these guidelines:

1. A faculty member, administrator, or the Director may pause or withdraw a student's driving privilege if needed.
2. Please park in the spaces designated on the north side of the parking lot, away from the school building. Street parking is fine when the campus lot is full.
3. Please have a parent notify the office about tardiness or absences. A pattern of tardiness may affect a student's driving privileges.
4. Students should only go to their cars during arrival and dismissal, unless a faculty member gives permission otherwise. Please keep windows rolled up and doors locked during the school day.
5. Please don't linger in the parking lot. Head to class or head home.
6. Camelot's rules apply in the parking lot and to vehicles on campus or parked nearby, just as they do elsewhere on campus.
7. Only the driver and passengers with written permission from both the driver's parents and each passenger's parents may ride together to or from school.
8. Please drive with care and courtesy on school property and the surrounding streets.
9. Please keep car stereos at a reasonable volume and avoid honking while on school grounds.
10. Please follow the one-way traffic pattern in the school lot.
11. A student may drive another student's car to or from campus only with written permission from both students' parents/guardians.

We have read and understand these guidelines and agree to follow any additional parking lot rules as they are updated in the School Handbook. We understand that Camelot Academy is not responsible for damage to or theft from vehicles parked on campus or nearby streets.
