Colored pencils
One or two highlighters (any color)

Post-it notes (3"x3")

One pack of anti-bacterial wipes such as Wet Ones
Two boxes of Kleenex tissues

- Please make sure your student has a consistent working space at home for them to be productive and to store supplies.
- **If you haven't already, please open a Gmail account for your student that you have full access to at all times. Your student's Gmail user account should be clearly identifiable and be school appropriate in title. If you have any questions or concerns about this, please do not hesitate to contact me at michelle@camelotacademy.org. Middle Grades is mainly using Google Classroom to deliver class material in Humanities and Science.**
- Other sources that your student will be accessing online this school year are listed below. Please take a moment to open an account for your student for each of the following websites:
 - [Quizlet](#) This is a free online learning tool that we use to create lesson reviews for students to access at any time. It is accessible from any computer, tablet, or cell phone with access to the web.
